

Mason Dixon Nurse Honor Guard (MDNHG) covers Franklin and Fulton Counties in PA, also assisting Washington County, MD and any other areas if requested and we are available. We provide tributes to nurses, RN or LPN, who have passed or are nearing the end of their lives (ex. Hospice). We attend memorial, visitation or funeral services for the nurse at the request of family or Funeral home. Participation in the service is voluntary. **You must be an RN or LPN in good standing to be a member.** The uniform for the tribute, obtained and paid for by the participant, is a professional white nursing outfit – dress or top and pants, white shoes, white nylons if wearing a dress, nursing cap and nursing cape. Our meetings are held once a month and attendance is strongly encouraged.
